

POCSO Committee : CYNTHIA SCHOOL

Prevention of Children from Sexual Offences Committee (POCSO)

To Safeguard the interests and wellbeing of all learners Cynthia Senior secondary School constituted the POSCO committee on in accordance with the provision of the Protection of Children from sexual offences act 2012.

The committee undertakes various age-appropriate initiatives to build awareness about sexual exploitation and to ensure that all learner understand their rights and responsibilities. Regular training session are organized for the faculty and staff to help them recognize respond to and reports instance of the abuse or neglect.

Objectives of the POCSO Committee

- To create a protective environment where learners feel safe, respected, and valued.
- To educate learners about personal safety, safe and unsafe touch, and their right to protection.
- To ensure all staff members are trained to identify, prevent, and appropriately report concerns related to child safety.
- To establish a transparent mechanism for reporting and addressing complaints related to child abuse.

Key Responsibilities

- Conducting regular **awareness programs, workshops, and special assemblies** to sensitize learners about safety and responsible behavior.

- Organizing **orientation and training sessions** for teachers, administrative staff, and support staff to help them recognize early signs of abuse and to follow proper reporting protocols.
- Ensuring the placement and periodic monitoring of **Complaint Boxes** in accessible areas of the school to encourage reporting in a confidential manner.
- Reviewing and addressing any complaints received and taking appropriate action in accordance with legal guidelines.
- Maintaining detailed documentation and ensuring compliance with child-protection norms.

Awareness and Capacity-Building Initiatives

Throughout the academic year, the Committee undertakes multiple initiatives, including:

- Showing **age-appropriate educational videos** on personal safety and protection.
- Conducting **self-defense training sessions** to equip learners—especially girls—with essential skills to protect themselves.
- Encouraging **student participation** in discussions, assemblies, and awareness drives to foster confidence and open communication.
- Displaying child-safety guidelines and emergency contact information in classrooms and common areas.
